

M. Sc. Industrial and Network Economics Welcome Day (WS 2017/18)

Dear New Students,
 Congratulations on your acceptance to the Master's Program Industrial and Network Economics at TU Berlin! As part of our welcome, we would like to invite you to attend our Welcome Day on Friday, **October 13, 2017**. During the day, you will receive valuable information about the program, get the opportunity to meet your fellow students and the faculty, and have a guided tour of the campus and its facilities. The full program for the day is displayed below.

We are looking forward to meeting you and wish you a good start to your studies.
